

BEAUMONT-CHERRY VALLEY WATER DISTRICT
REQUEST FOR QUOTATIONS NO. BCVWD-S-2020-001
PROJECT DOCUMENTS

ADDENDUM NO. 1

PLEASE BE ADVISED:

1. **Reference:** Beaumont-Cherry Valley Water District, Request for Quotations No. BCVWD-S-2020-001 Water Reservoir cleaning, inspection and repair services for miscellaneous District reservoirs. Part 1 – General and Part 3 - Execution

Replace in its entirety: Part 1 – General, 1.3 Qualifications, Item “C”, Description as follows:

“Field inspector must have at least (5) five years of water tank inspection experience and NACE II Coating Certification.”

With the following text:

“Field inspector must have at least (5) five years of water tank inspection experience and have direct, immediate, contact with the contractor’s NACE II coating inspector/reviewer in the event it becomes necessary to review and obtain comment from said NACE II inspector/reviewer during the inspection process on all coating and corrosion issues and/or concerns identified during the inspection, including metal loss, pit depth, and coating failure. Field inspector shall not leave said inspection activity until all found issues are reviewed and resolved (i.e. field repair methodology, if any), with said NACE II inspector/reviewer and District Staff”

Replace in its entirety: Part 1 – General, 1.6, Submittals Item “E”, Description as follows:

“Project report, and project inspection photographs and video. Inspection report for each tank shall include the requirements set forth under Section 3.05, hereafter.”

With the following text:

“Project report, and project inspection photographs, video and paint chemical/metals analysis. Inspection report for each tank, (including chemical/metals analysis of paint samples) shall include the requirements set forth under Section 3.05, hereafter.”

Replace in its entirety: Part 3 – Execution, 3.2 Inspection Requirements, B. Exterior Inspection, Item “f”, Description as follows:

“Collect external paint samples for metals analysis”

With the following text:

“Collect external paint samples for chemical/metals analysis and submit to District approved laboratory for chemical/metals analysis”

Replace in its entirety: Part 3 – Execution, 3.2 Inspection Requirements, C. Interior Inspection, Item “g”, Description as follows:

“Collect internal paint samples for metals analysis”

With the following text:

“Collect internal paint samples for chemical/metals analysis and submit to District approved laboratory for chemical/metals analysis”

Replace in its entirety: Part 3 – Execution, 3.5 Report, Description as follows:

“The report shall be prepared by a NACE Certified Coating Inspector and stamped by a Registered Professional Engineer. The report shall contain at least the following minimum items for each reservoir inspected.”

With the following text:

“The report shall be prepared by a NACE Certified Coating Inspector and stamped by a State of California Registered Professional Engineer. The report shall contain at least the following minimum items for each reservoir inspected.”

- 2. **Reference:** Beaumont-Cherry Valley Water District, Request for Quotations No. BCVWD-S-2020-001 Water Reservoir cleaning, inspection and repair services for miscellaneous District reservoirs. Attachment “C”

Replace in its entirety: Attachment “C” Quotation Schedule I, II, III, and IV table, Description as follows:

Schedule I, II, III, IV table Items 1-5 Description, Unit Price, and Total Price

With the following Attached table:

Schedule I, II, III, IV table Items 1-6 Description, Unit Price and Total Price

Reissued Attachment “C” in its entirety has been included as part of ADDENDUM NO. 1 and shall be submitted as the quotation (Bid) Schedule.
